| Fee Description   | Authority                 | Fee Amount  | Unit Desc. | Comments |
|-------------------|---------------------------|---|------------|----------|
| <b>Footnote #</b> | <b>Footnote Narrative</b> |   |            |          |
|                   | 1                         | Sliding fee scale is based on household income and number of dependents. State approved cost report.  |            |          |
|                   | 2                         | An hourly rate fee is added for those projects that require more than the projected average number of staff hours.  |            |          |
|                   | 3                         | Move towards Board of Supervisor policy of full cost recovery.  |            |          |
|                   | 4                         | Veterans with an honorable discharge operating a business in the incorporated and unincorporated areas of the County and subject to these fees will receive an exemption from health permit and other Environmental Health fees as authorized by the Business and Professions Code, Sections 16000 et seq.                                    |            |          |
|                   | 5                         | Non-profit organizations with proof of non-profit status will receive an exemption from these Environmental Health Fees.  |            |          |
|                   | 6                         | Under the authority of the Health Officer and mandate of the Department of Public Health to prevent the spread of communicable diseases or occurrence of additional cases (California Health and Safety Code section 120175), fees may be waived or reduced to an amount a patient is able to pay.  |            |          |
|                   | 7                         | All significant supplies and medications are additional, at a rate not to exceed direct and indirect costs.   |            |          |
|                   | 8                         | Non-profit organized camps are exempted from the fees in this program.  |            |          |
|                   | 9                         | State-mandated fees are published for information only and may change after this publication. Not at County discretion.   |            |          |
|                   | 10                        | Multiple program fee adjustment of \$43/additional program when facilities are subject to two or more programs.   |            |          |
|                   | 11                        | This fee will be charged at 1.5 times the hourly rate when work is performed during overtime conditions.  |            |          |
|                   | 12                        | The Director of Environmental Health is authorized to waive fees for applicants who are seeking to reconstruct legally constructed homes and other structures, including associated grading, that were destroyed as a result of a natural or man-made disaster, where the Board of Supervisors adopts a resolution declaring such a disaster. |            |          |
|                   | 13                        | Fee charged offsets fiscal year costs.  |            |          |
|                   | 14                        | The CUPA may authorized a CalARP facility risk management plan audit in compliance with CCR, Title 19, Division 2, Chapter 4.5, Section 2775.2 and CUPA Policy P-04 to be conducted by the County's consultant. The fee is charged to the CalARP facility and passed through to the consultant.   |            |          |
